SCIENCES
AGRO**

Bordeaux Sciences Agro

As a public institution under the supervision of the French Ministry of Agriculture, [Bordeaux Sciences Agro](#) offers top-quality education in a variety of agricultural fields, and has specialized over the years to become a leading school of viticulture and oenology. For more than 50 years, Bordeaux Sciences Agro has been able to forge privileged relationships with companies to guarantee the future for the graduated students.

Address: [1 cours du Général de Gaulle, 33170 Gradignan](#) (the main entrance is from the street “rue Compostelle”)

Bordeaux

As the capital of the [Nouvelle-Aquitaine Region](#), the city of Bordeaux enjoys a privileged position within France’s leading region for value-added agriculture. Farmland and forests here account for more than 80% of the territory.

Besides the world-renowned vineyards, [the city](#) has a number of fascinating museums, splendid architecture, culture, fame and outstanding cuisine.

In 2007 Bordeaux was added to the UNESCO World Heritage list as “an outstanding urban and architectural ensemble” of the 18th century, the largest urban area ever to receive this acclaim. It has become a very attractive area, has a unique lifestyle and the city’s exceptional vitality shows its openness to the world.
